

Billet Family Application

Hello potential billet family,

We are so excited that you are interested in joining our family. Our application process begins with the following application. We will also set up an interview with you and a home visit before the season starts. This helps us get to know you a little bit and is what we use when we begin placing players. We work hard to make sure placements work well for both players and family so the more we know about you the better.

Thanks again for opening your home. If you have any questions please feel free to contact our billet coordinator at billet@yellowstonequake.com.
